"hey el?" mike says from across the room of their shared apartment. i look up from the book i was reading.

"yes, mike" i reply back.

"i love you" he says with a big smile.

"i love you more" i blush.

"ever since i saw you in the rain that cold evening, i knew that at that moment, i fell in love with the most beautiful, smart, creative and badass woman of my dreams. El, im so lucky to have you. i love you." mike with the most emotion possible.

"mike, i love you too, your the best thing that's ever happened to me." i reply back with tears streaming down my face.

"El i love you so much it hurts" mike says with tears too.

"likewise" i chuckle.

"el, will you make me the happiest man alive and marry me?" he says with seriousness written across his features.

"YES YES A THOUSAND TIMES YES, I LOVE YOU MIKE!!!!!!" i say crying of joy. i run to him and tackle him to the ground, covering him in kisses.

"i love you too" he says as he slips the diamond ring onto my finger.

"OH MY GOD WE'RE GETTING MARRIED!!" i shout as realization hits me.

"YES WE ARE!" he says with the biggest smile possible. we spent the rest of the night giddy and happy, cuddling and sharing soft kisses until sunrise
